Property Acquired to Develop Northwest One

A Memorandum of Understanding was signed by the District of Columbia and RLA Revitalization Corporation, Inc. (RLARC) to transfer title of property adjacent to the Northwest One New Communities Project Area (NOCPA) from RLARC to the District in accordance with the Northwest One Redevelopment Plan. This acquisition marks a milestone for the District as it strives to create over 1,000 new units of affordable housing for low- and moderate-income residents of the Mt. Vernon Triangle and the NOMA area.
